OLD BUSINESS

Discussion on how much the Show Manager and Show Secretary should be paid due to the long hours and all of what they will be handling those four days. The Show Manager will be handling all the Games and Trail set up as well. The other paid positions (Office help, Gate Person, Ring Stewart, Announcer) where discussed at the previous April meeting and decided but these positions were not. Motion made by Wendy Raabe, seconded by Rich Yager- motion approved to pay the Show Manager and Show Secretary positions \$100 per day and all paid positions for future years will be revisited on an annual basis and adjusted up or down accordingly.

Wendy Raabe thanked Kathy Yager for all her work in hiring the judges and helping with getting SWBA’s showbill listed on several free websites to help promote the club even more this year.

NEW BUSINESS

Discussion on changing the Sponsorship Incentive to include only cash sponsorships to count toward the incentive. In the past merchandise value totals were included with the cash totals to make the total sponsorships. The club needs more monetary donations to run the show and purchase awards. Merchandise donations are still welcome and also help towards awards or the silent auction but just won't count toward the Incentive Program. Motion made by Kyle Raabe, seconded by Rich Yager- motion approved to only include cash donations for the Sponsorship Incentive for 2012.

Motion to adjourn the meeting at 7:20pm by Wendy Raabe, seconded by Kathy Yager, motion approved.

Next meeting: TBD

Respectfully submitted,
Wendy Raabe for Rich Yager
